Dark Angel

The Shams

I met this girl she's walking through one of my dreams
She kissed my eyes and everything that she said
Made so much sense to me
That I still feel like I'm half asleepMy dark angel she gave me diamonds for eyes
She walked by now I'm hypnotized
By this dream that just won't stop
And I feel like I've always been lost in this dreamThe rumors of heaven only speed the truth on earth
My dark angel shine your light on my curse
You are the other that I have to find
Until I do I guess I'll see you 'round my mindSo Colorado is a place I have to go
I've heard a rumor she loves the mountains and the snow
My dark angel she gave me diamonds for eyes
My dark angel I offer you my heart
My dark angel I think I loved you from the start'Cause there is this face I know that I've never seen
Sometimes I feel I'm living in someone else's dream
Still I'd like to thank you for stopping to talk
And I wonder just into who's dream did who walkOh my dark angel shine your light on me
Shine your light, shine your light
Shine your light on me, on me
