

# why must i

## Krftkds

Why must I take it so hard  
There's no light in the tunnel  
Or dog in the yard  
It's my fault for wanting too much  
Going deeper than most  
Getting harder to touch  
I've known days when i'd  
Wake up and say  
'The world can get along just fine.'  
So why must I take it so hard this time  
Why must I take it so hard  
With either bourbon or god  
But my world became this one boy  
It's the way that I'm made  
Do you think I enjoy it?  
I've known days when i'd  
Wake up and say  
'The world can get along just fine.'  
So why must I take it so hard this time  
I've known days when i'd  
Wake up and say  
(Instrumental  
Be careful of the love you find  
Be careful of the love you find  
Oh, be careful
