Somebody In Love

Curtis Stigers

It's after midnight, don't need no street light
'Cause here where I am there's always sunshine
Walk down the street now, can't find my feet now
I guess I'm acting like somebody in loveJust been with my girl, she changed my whole world
When I was lonely she come to hold me
She squeeze me so tight I'm feeling alright
I guess I'm acting like somebody in love
Yeah, I guess I'm acting like somebody in loveSomebody in love, somebody in love
Someone who just stares at the stars up above
Somebody in love, somebody in love
I guess I'm acting like somebody in loveI lost my suitcase, can't tie my boot lace
Forgot my game plan, I don't know where I am
I lost my house key, I lost it at sea
I guess I'm acting like somebody in love, yeahSomebody in love, somebody in love
Someone who just stares at the stars up above
Somebody in love, somebody in love
I guess I'm acting like somebody in loveIt's after midnight, don't need no street light
'Cause here where I am there's always sunshine
Walk down the street now, can't feel my feet now
I guess I'm acting like somebody in love, yeahSomebody in love, somebody in love
Someone who just stares at the stars up above
Somebody in love, somebody in love
I guess I'm acting like somebody in loveYeah, somebody in love, somebody in love
Someone who just stares at the stars up above
Somebody in love, somebody in love
Well, I guess I'm acting like somebody in love
Oh, I guess I'm acting like somebody in love
Oh, I guess I'm acting like somebody, somebody in loveYeah, yeah, somebody, somebody in love
Yeah, I think I'm in love, somebody in love
Oh, yeah
