

# You Wouldn't Know

Bee Gees

Come a bit close to me, let me be kissed  
Come on and give to me what I have missed  
I love you women, I know that I'll get you somehow  
You wouldn't know if I hadn't told you so  
You wouldn't know if I hadn't told you so, oh  
Well, I'm telling you now Morning and night time too, I'm so alone  
Your love and my love, girl, we shall be one  
I'm gonna get you or else there will be a big row  
You wouldn't know if I hadn't told you so  
You wouldn't know if I hadn't told you so, oh  
Well, I'm telling you now I go to sleep at night, I'm telling you now  
My heart is asking me why, I'm telling you now  
You wouldn't know if I hadn't told you so  
You wouldn't know if I hadn't told you so, oh  
Well, I'm telling you now Come a bit close to me, let me be kissed  
Come on and show to me what I have missed  
I love you women, I know that I'll get you somehow  
You wouldn't know if I hadn't told you so  
You wouldn't know if I hadn't told you so, oh  
Well, I'm telling you now
