After Tonight

Ava Leigh

There's something in your eyes
Is everything alright?
You look up to the sky
You long for something more
Darling, give me your right hand
I think I understand
Follow me and you will never have to wish again
I know that after tonight
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
No, no, no, no, no, no, no, no, no
Tell me how you feel
And if I'm getting near
I'll tell you where to stay
You'll tell me where to steer
D-d-d-darling, way above the clouds
And high above the stars
Through the unknown black holes
No one knows where we are
But we'll return to earth and do it all over again
'Cause I know that after tonight
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
Come away with me
Come fly away with me

Just for one night, no one will ever know
No, no
Darling, I will leave you satisfied
Forever, past time
You don't have to hide
You're free to fly
I know that after tonight
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
And I know that after tonight
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You don't have to look up at the stars
And I know if the love is alright
You don't have to look up at the stars
No, no, no, no
I know by the end of tonight
You'll be looking down upon them from heaven, yeah
Oh no no oh na na na na na na
Yeah yeah ooh na na na na
