Never Alone (feat. Terry Hall)

Junkie XL

Woah, woah woah woah woah
Woah, woah woah woah woah
You're never aloneWhen time is tight
Days are long
Got to find the light
And keep it onIn times like these
Sisters and brothers
Lights are abound
The truth needs no colorSo much to play
No time to play it
Got nothin' to say
I'm gonna say it
Say it on my ownWoah, woah woah woah woah
Woah, woah woah woah woah
Woah, woah woah woah woah
You're never aloneWas there a past
Is there a future
Got to turn your hands
To whatever suits yaWhatever it takes
You've gotta take it
You keep your faith
You're gonna make it
Make it on your ownWoah, woah woah woah woah
Woah, woah woah woah woah
Woah, woah woah woah woah
You're never aloneSo much to play
No time to play it
Got nothin' to say
I'm gonna say it
Say it
Say it
Say it on my ownWoah, woah woah woah woah
Woah, woah woah woah woah
Woah, woah woah woah woah
You're never alone [Repeat: x 2]You're never alone
You're never alone
