## The Cult

Terrorize, prophesize  
Small town any place  
Prodigal son, hey, loyal to none  
He had it all to say Renegade from another world  
Child, he was the wild one Outlaw  
From the badlands baby, badlands baby  
Outlaw  
Tomorrow will never come Jimi was a boogie man  
Took a shotgun in his hand  
Turned on dude candy-man  
He walked into the wrong town Deputy dog man wait inside  
Jimi thought he'd better hide  
Suddenly changed his mind  
Shot 'em all on sight, yeah Outlaw  
From the badlands baby, badlands baby  
Outlaw  
Dizzy in the head and feelin' bad Bandito  
Fallen angel, out of time  
Outlaw  
Tomorrow will never come Renegade from another world  
Yes, child, he was the wild one Outlaw  
From the badlands baby, badlands baby  
Outlaw  
Dizzy in the head and feelin' bad Bandito  
Fallen angel, out of time  
Outlaw  
Tomorrow will never come
