

The Saturday Morning Recording

[Chase Johanson](#)

Saturday morning and I'm feeling recording
Come up with a chorus to retell my story
Its about a little birdy who hides in her glory
so I'm gonna record it yea I'm feelin' recording I saw her yesterday with a little help from the sun
Trouble in her eyes told me I should run
But I can't do it like that, no even if I tried
Cuz even through that trouble there's beauty in her eyes Saturday morning and I'm feeling recording
Come up with a chorus to retell my story
Its about a little birdy who hides in her glory
so I'm gonna record it yea I'm feelin' recording (Scat) Five years down the road, if she's still by my side
I'm gonna play her this song to show that love will never die
I couldn't do it like, not even if I could
Cuz even through that trouble, damn she looks so good But if that trouble in her eyes, is nothing but true
Then don't expect me, to come running back to you
And it'll be the day when all my dreams come true
So please don't cause me trouble Saturday morning and I'm feeling recording
Come up with a chorus to retell my story
Its about a little birdy who hides in her glory
so I'm gonna record it yea I'm feelin' recording x3
