

All I Know

Basement Jaxx

I don't care what they say
I don't care about the style, you're choosin'
We can do it our way
All I know is my heart screams softly for you
(You)
(You)
(You)
All I know is my heart screams softly for you
I don't care what they say
I don't care about the style, you're choosin'
We can do it our way
All I know is my heart screams softly for you
(You)
(You)
(You)
All I know is my heart screams softly for you
(You)
(You)
(You)
(You)
(You)
(You)
You
You
You
