Iron

Calvin Harris and Nicky Romero

Left in the darkness, here on your own
Woke up a memory, feeling the pain
You cannot deny it, there's nothing to say
It's all that you need to find the way
Oh damn, the war is coming
Oh damn, you feel you want it
Oh damn, just bring it on today
You can't live without the fire
It's the heat that makes you strong
'Cause you're born to live
And fight it all the way
You can hide what lies inside you
It's the only thing you know
You're embracing that, never walk away
Don't walk away, don't walk away
Don't walk away, don't walk away
Raised in this madness, you're on your own
It made you fearless, nothing to lose
Dreams are a drug here, they get in your way
That's what you need to fight day by day
Oh damn, the war is coming
Oh damn, you feel you want it
Oh damn, just bring it on today
You can't live without the fire
It's the heat that makes you strong
'Cause you're born to live
And fight it all the way
You can hide what lies inside you
It's the only thing you know
You're embracing that, never walk away
Don't walk away
You need not to fear us
Unless you're a dark heart
A vile one, who preys on the innocent
I promise
You can't hide forever even into the darkness
For we'll hunt you down like the animals you are
And pull you in the very bowels of hell
Oh damn, the war is coming

Oh damn, you feel you want it
Oh damn, just bring it on today
You can't live without the fire
It's the heat that makes you strong
'Cause you're born to live
And fight it all the way
You can hide what lies inside you
It's the only thing you know
You're embracing that, never walk away
Don't walk away, don't walk away
Don't walk away, don't walk away
