Gold Dust

John Newman

You and I, it's my time to talk
I'm throwing out these 2 years of thoughts
Please and take a deep breath
I'll lay my heart out, yea I put it on the floorTears crash down
Don't face, not now
Screaming out how I changed through time
I know it's hard to leave it
To say we've been defeatedBut everything around has changed
My my
I'll be here[Chorus]
Gold dust
Gold dust
Gold dust
Tear drops
Tear drops
Tear dropsMemories, give out thought to nothing
Carelessly, through the night I put it there
And they got time too easy
Thought they seem so pleasingBut everything around has changed
My my
I'll be hereGold dust
Gold dust
Gold dust
Tear drops
Tear drops
Tear dropsAnd your trust holds me down
When I wake you're just gonna leave
And I don't want you to be lonely
'Cause I know you've found your love with me
And I know that time's not falling
And we're too scared to move forward
I hate to see you leaving
When it's falling best believe I'm hereGold dust
Gold dust
Gold dust
Tear drops
Tear drops
Tear dropsGold dust
Gold dust

Gold dust
Tear drops
Tear drops
Tear dropsGold dust
Gold dust
Gold dust
Tear drops
Tear drops
Tear drops
