Fat Dance

Red Hot Chili Peppers

Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
One reason why I got you for
A-woman is that you can do the moveable
Kitchen or bedroom or bathroom floor
Keep it moving cause I need the hardcore
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Soft, she's off and left, now I'm a coming
I'm feeling in the ghetto 'cause that's my trouble
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Another reason why I love your ass
Your dancing like everyday could be your last
Do ya do ya do ya wanna dance

Lets get it on like black trash
Do a phfat dance
Do a phfat dance

Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Soft, she's off and left, now I'm a coming
I'm feeling in the ghetto 'cause that's my trouble
I met her on the school yard and
She was such a cool card
She took me for a fool
Because I acted like a bodyguard
Oh Yohanna love, my Yohanna love
She was just the cutest thing
My god that I have ever seen
Tearin up my seraton and messing
With my dopamine
Oh Yohanna love, my Yohanna love
Just about the time
That I was feeling fine again
She walked into the room
Wearing nothing but a cardigan
Oh Yohanna love, my Yohanna love
She knew what she was doin'
When she told me no she would
Never let the perfect message
In and get the perfect screwin'
Oh Yohanna love oh oh
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Do a phfat dance
Do a phfat dance
Do a do a do a phfat dance
Number three reasons why I'm in your house
Hot butter melts across your mouth
Dancing and a dancing, And a dancing machine
Somebody move, Somebody scream
Yeah
One reason why I got you floored
A-woman is that you can do the move-a-more
Kitchen or bedroom or bathroom floor
Keep it moving 'cause I need the hardcore

I need the hardcore
I need the hardcore
I need the hardcore
Hardcore
