

Soul Messiah

Alphaville

There is too much confusion
Much too much impact of obscene terror
I wonder why I'm still surfing on this wave of obsession
Is there a reason to stay any longer
Waiting for some cool messiah
Give me a reason to stay here forever
Waiting for something to come
Is it my soul
Is it that glimpse of light I never forget to expect
Or is it you, some kind of angel
That keeps me in waiting forever
There's too much war on the outside
Much too much impact of symbols and meanings
I wonder why I'm still fighting in this ocean of questions
Is there a reason to stay any longer
Waiting for something to come
Give me a reason to stay on this island
Waiting for something to come
