Ready For You

Kutless

Lord, you take my heart away
With Your love
And I, am willing to put on my faith
In Your planCome and take my life
Make my soul refreshed in truth nowI am ready for You
Take my heart and make me new now
I am ready for You
To come and fill my soulCleanse, all of my mind that is not
Of you
Break me, teaching me how to find rest
In Your handsCome and take my life
Make my soul refreshed in truth nowI am ready for You
Take my heart and make me new now
I am ready for You
To come and fill my soul
Won't You come and fill my soul?Whatever it takes
I'm needing to make Your will be done
And I'm letting go of my control
For I see what You've done in meI am ready for You
Take my heart and make me new now
I am ready for You
To come and fill my soulI am ready for You
Take my heart and make me new now
I am ready for You
To come and fill my soul
Come and fill my soul
Won't You come and fill my soul?
