Look Back

OK Ikumi

Verse 1:
Now I Done Tried Over And Over
Just To Make You ?understand
Where I'm Comin' From
But You Don't Here Me
Sometimes I Wanna Scream
But That Won't Make You See All The Things That You Been Missin'
What About The Dreams We Shared
It Wasn't Too Long Ago
That We Were Both Still In Love
Hook:
Love Ain't Gotta Be Complicated
But You Gotta Make It So
If You Wanna Go Then Just Go
Chorus-A:
Take A Step, Make A Move
Win Or Lose, It's All On You Now
So Take A Step, Move A Move
Time To Choose
Either You Stay Or You Go
Chorus-B:
I'ma Catch You Lookin' Back But I'ma Be Gone
Wishin' You Have Stayed Took Care Of Ya Home
Next Time That You See Me I'ma Be On His Arm
A Man That Appreciates What You Never Saw
Look Back (Looking Back) Look Back (Looking Back)
Look Back (Looking Back) Look Back (Catch Ya Lookin' Back)
Look Back (Looking Back) Look Back (Looking Back)
Look Back (Looking Back) Lock Back (Catch Ya Lookin')
Verse 2:
Now You Done Said Over And Over
How You Still Love Me
So How You Gon' Leave Me And Your Family?
Ever Word You Said
Sounds Like To Me A Melody
But I Can't Hear You No More Silence Is Killin' Me Yeah
And What About The Plans We Made?
How Is It So Easily You Throw Away Everthing?
