

# I'm Going Upstairs

**John Lee Hooker**

I'm goin' upstairs  
And bring down all of my clothes  
I'm goin' upstairs  
And bring down all of my clothes

Where I go, baby, you will never know  
My mother dead and gone, my father don't want me around  
My mother dead and gone, my father don't want me around  
Don't you know, baby, I ain't got no place to go?

You know, you know, you don't want me no more  
(No, you don't)  
You know, you know, baby, you don't want me no more  
You can love, babe, with your younger stud, baby  
Ho, ho, ho, ho, ho

Got a house on the water; you know I don't need no land  
(Have mercy on me)  
Got a house on the water; you know I don't need no land  
When I'm dead and gone, bury me in the deep blue sea  
Hmm, mmm, ho, ho, ho, ho, ho
