

When She Was My Girl (Levi's Mix)

Four Tops

She used to be
Everything to me
When she was my girl
when she was my girlI held her near
Told her how much I cared
When she was my girl
when she was my girlWhen she was my girl
There was laughter and loving in my world
Everyday
When she was my girl
Oh what joy she would bring
Now I've lost everything
She's gone, gone, gone gone, gone! I spend the night
Dreaming how she used to be
When she was my girl
when she was my girlWhen she was my girl
There was laughter and loving in my world
Yes it was
Cause she was my girl
Oh what joy she would bring
Now I've lost everything
She's goneShe used to be
Everything to me
When she was my girl
My girlShe was my girl
