# Bad Bad Love

## Alexander

It was all colors and heat,
And rain falling in the streets,
And bad bad love.When she asked, "what do you need,"
I said "what do you believe,"
I need bad bad love.How can I care anymore?
Bring me a love
A bad bad love
Right now
Oh, bad, love, oh!I went marching though the mall today,
Singing bad bad love.
I went marching through the ghetto today,
Singing bad bad love.She asked "what is it you need,"
"A love the devil can't reach,
I need bad bad love."Our scriptures turned to sand,
Our boy become a man,
With a bad bad love.
Fill me with love,
(Oh) bad, bad, love,
Bad bad love
Right now
