

# Rub A Dub Dub (Re-Recorded Version)

## The Equals

Saturday night and I'm sitting in a tub.  
Got to see my baby  
Rub a dub dub.  
Need hot water running outGot to see my baby  
Scrub a scrub scrub.  
Wait till late to see my babyTonight's the night  
That I'm going to ask herGot to smell sweet just like a rose.  
Sitting in my tub  
Rub a dub dub.Sitting in my tub  
Scrub a scrub scrub.  
Saturday night and I'm having a rubGot to see ma baby  
Rub a dub dub.  
Need more soap I'm running outGot to see my baby  
Scrub a scrub scrub.  
I wonder what will be the answer.  
This is the first time  
I'm going to ask herSitting here I won't know the answer  
Sitting in my tub  
Rub a dub dub.Sitting in my tub  
Rub a dub dub.  
Sitting in my tub  
Scrub a scrub scrub.  
Saturday night and I'm sitting in my tub.  
Got to see my baby  
Rub a dub dub.  
Need hot water I'm running outSitting in my tub  
Scrub a scrub scrub.  
I wait till late to see my babyTonight's the night that, that  
I'm going to ask herGot to smell sweet just like a rose  
Sitting in my tub  
Scrub a scrub scrub.  
Come into my tubSaid the spider to the fly  
No thank you  
Replied the flyDon't really think  
I need a rub.
