

S.E.X.

Nickelback

No is a dirty word
Never gonna say it first
No, it's just a thought
That never crosses my mind Maybe in the parking lot
Better bring your friend along
Better all together
Than just one at a time S is for the simple need
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh the answer's yes
Not just a suggestion, if you ask the question
Then it's always yes, yeah I'm loving what you wanna wear
I wonder what's up under there
Wonder if I'll ever have it
Under my tongue I'll love to try to set you free
All of you all over me
Love to hear the sound you make
The second you're done S is for the simple need
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh the answer's yes
Not just a suggestion, if you ask the question
Then it's always yes Yeah, yeah, yeah
(Yes)
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah S is for the simple need
E is for the ecstasy
X is just to mark the spot
'Cause that's the one you really want Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh, the answer's yes
Not just a suggestion, if you ask the question
Then it's always yes, yeah Yes, sex is always the answer, it's never a question
'Cause the answer's yes, oh, the answer's yes
Not just a suggestion, if you ask the question
Then it's always yes Yeah, yeah, yeah
(Yes)

Yeah, yeah, yeah
Yeah, yeah, yeah
(Yes)
Yeah, yeah Yeah, yeah, yeah
(Yes)
Yeah, yeah
