

# I Wanna See My Baby

## Chicken Shack

Yes, I wanna see my baby - rock me on a steady roll

Yes, I wanna see my baby - rock me on a steady roll

Don't you know my baby - he's gonna save my soul I'm at home with my mama, but my baby's on my mind

I'm at home with my mama, but my baby's on my mind

I don't understand my baby, why he treat's me so unkind Cries like a devil, shaped like a frog, start lovin'  
mama, mama get a job

Oh, won't you come on home to me

Yes, I'm terrible mistreated but he's my - old time used  
to be, oh solo Swears like a devil, shaped like a frog, start lovin'

mama, mama get a job

Oh, won't you come on home to me

Yes, I'm terrible mistreated but he's my - old time used  
to be

Yes, I wanna see my baby - rock me on a steady roll

Yes, I wanna see my baby - rock me on a steady roll

Don't you know my baby - he's gonna save my soul
