

King Speech

FUTURISTIC

Always talk shit, but my breath don't stink
Flow been running, better rest my sink
Cooking these niggas, got the recipe if they mess with me rest in peace
Got drive like Uber
Never let the head rest
Mic always on like I bought it with a headset
Hit it till she squirt, damn got the whole bed wet
Rock out like Led ZepOne take, what I do. Who you?
Look at your whole crew, I don't know whose who
You look confused, think you need a Blues Clue
Two girls, one cup, you niggas is doo dooAll about business, I need a new suit
