

Banging On The Doors Of Love

Sandra van Nieuwland

I'm on an airplane
It takes me higher
Down on the ground all the people are wired
Banging on the doors of love
Banging on the doors of love Little machines in a web of desire
Who's in the water and who's in the fire?
Banging on the doors of love
Banging on the doors of love All over the world
Wolf and sheep
Boy and girl
Together
In suburbia
Dream chases and libertines
Are waiting
I'm on an airplane
It takes me higher
Down on the ground all the people are wired
Banging on the doors of love
Banging on the doors of love Little machines in a web of desire
Who's in the water and who's in the fire?
Banging on the doors of love
Banging on the doors of love I'm in the water
Light drips through the clouds
As the curtain falls down
And madness is revealed
For a second
I can see what it's like
So simple and clean
Before you wake me up
From a hazy lazy dream
All over the world
Wolf and sheep
Boy and girl
Together
In suburbia
Dream chases and libertines
Are waiting I'm on an airplane
It takes me higher
Down on the ground all the people are wired

Banging on the doors of love Little machines in a web of desire

Who's in the water and who's in the fire?

Banging on the doors of love

Banging on the doors of love
