Till It Happens to You

Corinne Bailey Rae

I know what I said was heat of the moment
But there's a little truth in
Between the words we've spoken
It's a little late now to fix the heart that's brokenPlease don't ask me where I'm going
'Cause I don't know
No, I don't know anymoreIt used to feel like heaven
It used to feel like May
I used to hear those violins
Playing our strings like a symphony
Now they've gone awayNobody wants to face the truth
But you won't believe what love can do
Till it happens to you
Till it happens to youWent to the old flat
Guess I was trying to turn the clock back
How come that nothing feels
The same, now when I'm with you
We used to stay up all night
In the kitchen when our love was newOoh love, I'm a fool to believe in you
'Cause I don't know
No, I don't know anymoreIt used to feel like heaven
It used to feel like May
I used to hear those violins
Playing our strings like a symphony
Now they've gone awayNobody wants to know the truth
Until their heart's broken
Don't you dare tell them
What you think to do till they get overYou can only learn these things from experience
When you get older
I just wish that someone would have told meTill it happens to you
Till it happens to you
Till it happens to you
