

# Take You Down

Kora

I'm gonna take you down  
I'm gonna take you down  
I'm gonna take you down  
I'm gonna take you down No more playing, this ain't no game  
We do it for the lovers, not for fame  
I don't have to prove it to you, no way  
Waste my time on you I don't care what you think, don't mess with me  
Say what you want me to to me  
Should've kept all the dissing to yourself  
'Stead you're criticising on someone else  
I'm gonna take you down  
I'm gonna take you down  
I'm gonna take you down  
I'm gonna take you down Stack your ego back on the shelf  
Nothing but the badness comes from your mouth  
Now it's time to settle the score  
Turn it back on you Gonna take full control, learn to let it go  
I'm gonna take more than all you got, talk to let you down  
Talk like you got it all, you just dropped the ball  
Fool, you're just an amateur  
I'm gonna take you down  
I'm gonna take you down  
I'm gonna take you down  
I'm gonna take you down I'm gonna take you down, oh, yeah  
I'm gonna take you down  
I'm gonna take you down
