

That's the Way Life Goes

Jimmy Cliff

(Written by Jimmy Cliff)

As I walk along the street each day
These are the words I hear some people say
Maybe a girl never dig a guy
A deal is riding high
Today youâ€™re up on top
Tomorrow youâ€™re right down flat
Everybody seem to turn their back
Youâ€™re all alone on your own
Without a home no place to roam

Hey hey hey
Hey hey hey

Thatâ€™s the way life goes tomorrow one never knows
Thatâ€™s the way life goes today
Donâ€™t you know
Thatâ€™s the way life goes tomorrow one never knows
Thatâ€™s the way life goes today

Now another fella told me that
And I believe this for a fact
Nobody knows that when theyâ€™re down and out
Make you feel youâ€™re left out
When you get up on your feet again
Everybody wants to be your friend
Telling you on them you can depend
Now youâ€™re a king
Got everything
Youâ€™re my friend
You can sing

Hey hey hey
Hey hey hey

Thatâ€™s the way life goes tomorrow one never knows
Thatâ€™s the way life goes today
Donâ€™t you know it
Thatâ€™s the way life goes tomorrow one never knows

Thatâ€™s the way life goes today

Donâ€™t you know it

Thatâ€™s the way life goes tomorrow one never knows

Thatâ€™s the way life goes today
