

Whatcha' Gonna Do With a Cowboy

The Country Dance Kings

I can see you got your eye on this old cowboy
And I can tell you've never had one for your own
Or you've never been around one
Now you're thinkin' that you've found one
Well it might be kinda fun to take him home You giggle every time that I say yes ma'am
And I get this feelin' if I held you tight
You'd be seein' his and hers
Buckles boots and spurs
But that's a feelin' you'll get over overnight 'Cause what'cha gonna do with a cowboy
When that old rooster crows at dawn
When he's lyin' there instead of gettin' out of bed
And puttin' on his boots and gettin' gone
What you gonna do when he says honey
I've got half a mind to stay
What'cha gonna do with a cowboy
When he don't saddle up and ride away You can see it takes a special kinda woman
To put up with the life a cowboy leads
'Cause his boots are always muddy
And his beer drinkin' buddies
They'll camp out on your couch and never leave Don't even start to think you're gonna change him
You'd be better off to try and rope the wind
What he see is what he's got
And he can't be what he's not
And honey you can't hide him from your friends 'Cause what'cha gonna do with a cowboy
When that old rooster crows at dawn
When he's lyin' there instead of gettin' out of bed
And puttin' on his boots and gettin' gone
What you gonna do when he says honey
I've got half a mind to stay
What'cha gonna do with a cowboy
When he don't saddle up and ride away What'cha gonna do with a cowboy
When he don't saddle up and ride away
