

Jule Styne

Barbra Streisand

Time after Time
I tell myself that I'm
So lucky to be..Jule Styne
When things seemed so dark
I walked up to Ray Stark
And I said "Please meet a friend of mine
Ray Stark, Barbra Streisand, Barbra Streisand, Ray Stark "
Ms. Streisand sang and I played
He said ,she looks just like my maid
Just you do your job and I'll do mine
Which just goes to show
How much producers know
He said ?Bellbath? would be divine
You all know the switch
The maid, she made him rich
For which he hates Jule Styne
