

# Renegades of Funk

## Afrika Bambaataa and Soulsonic Force

No matter how hard you try, you can't stop us now  
No matter how hard you try, you can't stop us now We're the renegades of this atomic age  
This atomic age of renegades  
We're renegades of this atomic age  
This atomic age of renegades Since the Prehistoric ages  
And the days of ancient Greece  
Right down through the Middle Ages  
Planet Earth kept going through changes And then no renaissance came  
And times continued to change  
Nothing stayed the same  
But there were always renegades Like Chief Sitting Bull, Tom Paine  
Dr. Martin Luther King, Malcom X  
They were renegades of their time and age  
So many renegades We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk From a different solar system  
Many, many galaxies away  
We are the force of another creation  
A new musical revelation And we're on this musical mission  
To help the others listen  
And groove from land to land  
Singin' electronic chants like Zulu nation  
Revelations  
Destroy our nations  
Destroy our nations Destroy our nations  
Destroy our nations  
Destroy our nations  
Destroy our nations Now renegades are the people  
With their own philosophies  
They change the course of history  
Everyday, people like you and me We're the renegades we're the people  
With our own philosophies  
We change the course of history  
Everyday, people like you and me, c'mon We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk We're poppin', sockin', rockin' puttin' a side of hip hop  
'Cause where we're goin' there ain't no stoppin'

Poppin', sockin', puttin' a side of hip hop  
'Cause where we're goin' there ain't no stoppin' Poppin' n' sockin' n' rockin' n' puttin' a side of hip hop  
'Cause we're poppin', sockin', rockin' puttin' a side of hip hop  
Poppin', sockin', rockin' puttin' a side of hip hop We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk We're teachers of the funk and not of empty popping  
We're blessed with the force and the sight of electronics  
With the bass and the treble, the horns and our vocals  
'Cause everytime I pop into the beat, we get fresh C'mon  
C'mon There was a time when our music  
Was something called the Bay Street Beat  
People would gather from all around To get down to the big sound  
You had to be a renegade those days  
To take a man to the dance floor Say jam sucker, jam  
Say jam sucker, jam  
Say groove sucker, groove  
Now groove sucker, groove Say dance sucker, dance  
Say dance sucker, dance  
Now move sucker, move  
Now move sucker, move Say jam sucker, jam  
Say jam sucker, jam  
Say groove sucker, groove  
Now groove sucker, groove Say dance sucker, dance  
Say dance sucker, dance  
Now move sucker, move  
Now move sucker, move We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk  
We're the renegades of funk
