

Spaceman

James Wallace

[Cover of Babylon Zoo's song] Spaceman
I always wanted you to go into space man
Pungent smells, they consummate my home
 Beyond the black horizon
 Trying to take control
See my girl, she shivers in her bones
 The sun and zenith rising
 Trying to take us all
 There's a fire between us
 So where is your god?
 There's a fire between us
I can't get off the carousel
 I can't get off this world
The sickening taste, homophobic jokes
 Images of fascist folks
 Beam me up cause I can't breathe
 Spaceman
I always wanted you to go into space man

Its time to terminate this great white world
 Morbid fascination
 Television takes control
 Decimation, different races fall
 Electronic information
 Tampers with your soul
 There's a fire between us
 So where is your god?
 There's a fire between us
I can't get off the carousel
 I can't get off this world
The sickening taste, homophobic jokes
 Images of fascist folks
 Beam me up cause I can't breathe
 Spaceman
I always wanted you to go into space man
 Spaceman
I always wanted you to go into space man
 Spaceman
I always wanted you to go into space man

Spaceman
