

There's A Kind Of Hush

Herman's Hermits

There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love You know what I mean
Just the two of us and nobody else in sight
There's nobody else
And I'm feeling good just holding you tight So listen very carefully
Move closer now
And you will see what I mean
It isn't a dream The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love La la la
La la la
La la la So listen very carefully
Move closer now
And you will see what I mean
It isn't a dream The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever There's a kind of hush
All over the world tonight
All over the world
People just like us are fallin' in love Yeah, they're fallin' in love
Hush, they're fallin' in love
Hush
