

I Do (Duet With Freddie Jackson)

Natalie Cole

Ooh... hoo... ooh... hoo... ooh... hoo...
{Hoo... ooh... hoo... ooh...}
Mmm... Wasn't it just yesterday
The very first time when you whispered my name
I saw a light in your eyes
And I knew deep inside we'd be so much more than friends Now baby, it's you and me eternally
Everything that we're meant to be So I dedicate myself to loving you forever
For always, I do
And this promise that I make tonight, I make with all my heart
We'll never part, it's true
So then here's to us
I give my all to you
Yes, baby, I do
{Baby, I do} Baby, I do
{I} Yeah, yeah {I do}, yeah, yeah {Ooh} I could take a star from the sky (Take a star)
I'd make it shine on you for the rest of your life (Shine, shine, shine)
Tonight our hearts became one {Oh} united forever {Uh, uh}
For all of the world to see So baby, it's you and me eternally, yeah
Everything that we're meant to be So I dedicate myself to loving you forever
For always, I do
And this promise that I make tonight, I make with all my heart
We'll never part, it's true
So I dedicate myself to loving you forever (Loving you forever)
For always, I do {Oh, I do}
And this promise that I make tonight, I make with all my heart {Come on, girl}
We'll never part, it's true {Oh} So then here's to us
I give my all to you
Yes, baby, I do
Oh, my baby {Oh...}
I do {Oh, yeah}
Really, really, really {Baby, baby, I}
Love you, baby {Oh, yes}
Yes, baby, I do
Yeah
