Kings & Queens

Luna Halo

I could give you everything
But would that be what you want?
I could be enough for you
And give you anything I've gotI could see inside your head
And make you come undone
I could show you love again
If you would onlyTurn around
Hear the sound of my heart beating for youC'mon, c'mon, I think you're so special
What would it take for me to get to you?
I love the way you walk and the way you talk to me
You talk to meC'mon, c'mon, 'cause I'm all about it
Let's take a chance, can't wait any longer
We could be the envy of the Kings and Queens
The Kings and QueensSo will you come to rescue me
From this unrelenting need?
'Cause I know that you belong in my armsSo let's fade into the night
I'll give you what your heart desires
You know it tears me up inside
What can I do to make youTurn around?
Hear the sound of my heart beating for youC'mon, c'mon, I think you're so special
What would it take for me to get to you?
I love the way you walk and the way you talk to me
You talk to meC'mon, c'mon, 'cause I'm all about it
Let's take a chance, can't wait any longer
We could be the envy of the Kings and Queens
The Kings and QueensC'mon, c'mon, I think you're so special
What would it take for me to get to you?
I love the way you walk and the way you talk to me
You talk to meC'mon, c'mon, 'cause I'm all about it
Let's take a chance, can't wait any longer
We could be the envy of the Kings and Queens
The Kings and Queens
The Kings and Queens
