The Rescue Blues

Ryan Adams

Everybody wants you to be special
And everybody wants you to be high
They throw you down a rope when you're in trouble, baby
Screamin', "Save me"Then they charge you with the rescue blues
Oh, the rescue blues oh ohAnd everybody wants to see you suffer
They know that you need the pain so much
They throw you up a rope when you're too high to cruise, baby
Lord, You lose ladyThen they charge you with the rescue blues
Oh, the rescue blues oh ohAnd everybody wants to see you fall
That's why they always love to get you high
And everybody knows you need the pain so much, lady
Well, keep in touch, babyJust don't charge me with your rescue blues
Oh, oh, rescue blues oh oh oh oh
