

Love Me Harder

KIDZ BOP Kids

Tell me something I need to know
Then take my breath and never let it go
If you just let me invade your space
I'll take the good times, take it with the bad And if in the moment I think of it
Baby, in the moment you'll know this is
Something bigger than us and beyond this
Give me a reason to believe it 'Cause if you want to keep me, you gotta, gotta, gotta, gotta, got to love me harder
And if you really need me, you gotta, gotta, gotta, gotta, got to love me harder
Gotta love me harder
Ooh, ooh, ooh, oooh,
Love me, love me, love me,
Ooh, ooh, ooh, oooh,
Love me, love me, love me I know your motives and you know mine
The ones that love me, I tend to leave behind
If you know about me and choose to stay
Then take the good times and take it with the bad And if in the moment you think of it
When I make you realize you know it's real
Can you hear the song singing in my heart?
I'll make it known for the first time 'Cause if you want to keep me, you gotta, gotta, gotta, gotta, got to love me
harder (I'm a love you harder)
And if you really need me, you gotta, gotta, gotta, gotta, got to love me harder (Gotta love me harder)
Ooh, ooh, ooh, oooh,
Love me, love me, love me,
Ooh, ooh, ooh, oooh,
Love me, love me, love me, So what do I do if I can't figure it out? (Figure it out)
You got to try, try, try again, yeah.
So what do I do if I can't figure it out? (figure it out)
I'm gonna leave, leave, leave again 'Cause if you want to keep me, you gotta, gotta, gotta, gotta, got to love me
harder (Love me harder)
And if you really need me, you gotta, gotta, gotta, gotta, got to love me harder (Imma love you harder)
Ooh, ooh, ooh, oooh,
Love me, love me, love me,
Ooh, ooh, ooh, oooh,
Love me, love me, love me,
(Love me, love me, baby)
Ooh, ooh, ooh, oooh,
Love me, love me, love me
(Just a little bit, just a little bit more, baby)
Ooh, ooh, ooh, oooh,

Love me, love me, love me
