Crazy Horses

Los Plantronics

Crazy Horses, Crazy Horses.There's a message floatin' in the air,
Come from crazy horses ridin' everywhere.
It's a warning, it's in every tongue.
Gotta stop them crazy horses on the run.What a show, there they go,
Smokin' up the sky, yeah.
Crazy horses all got riders and they're you and I.Crazy Horses
Crazy Horses
Crazy Horses
Crazy HorsesNever stop and they never die,
They just keep on puffin'
How they multiply.
Crazy horses will they never halt,
If they keep on movin' then it's all our fault.What a show, there they go smokin' up the sky, yeah
Crazy horses all got riders and they're you and I.Crazy horses
Crazy horses
Crazy horses
Crazy horses(Everybody's goin' crazy, will someone come and save me?)(C'mon, C'mon, Yeah. Can you feel it?)So take a good look around
See what they've done
What they've done, they've done
They've done, they've done
They've done, they've done
They've done, what they've doneCrazy horses
Crazy horses (Yeah now baby, no time to waste)
Crazy horses (Woah, it's all around you)
Crazy horses (Can you feel it?)
Crazy horses (C'mon, C'mon, Yeah)
Crazy horses (Yeah, Yeah)
Crazy horses (Everybody's goin' carzy)
Crazy horses (Won't someone come and save me)
