

Crazy Horses

Los Plantronics

Crazy Horses, Crazy Horses. There's a message floatin' in the air,
Come from crazy horses ridin' everywhere.

It's a warning, it's in every tongue.

Gotta stop them crazy horses on the run. What a show, there they go,
Smokin' up the sky, yeah.

Crazy horses all got riders and they're you and I. Crazy Horses

Crazy Horses

Crazy Horses

Crazy Horses Never stop and they never die,

They just keep on puffin'

How they multiply.

Crazy horses will they never halt,

If they keep on movin' then it's all our fault. What a show, there they go smokin' up the sky, yeah

Crazy horses all got riders and they're you and I. Crazy horses

Crazy horses

Crazy horses

Crazy horses (Everybody's goin' crazy, will someone come and save me?) (C'mon, C'mon, Yeah. Can you feel it?) So take a good look around

See what they've done

What they've done, they've done

They've done, they've done

They've done, they've done

They've done, what they've done Crazy horses

Crazy horses (Yeah now baby, no time to waste)

Crazy horses (Woah, it's all around you)

Crazy horses (Can you feel it?)

Crazy horses (C'mon, C'mon, Yeah)

Crazy horses (Yeah, Yeah)

Crazy horses (Everybody's goin' carzy)

Crazy horses (Won't someone come and save me?)
