

# Head Under Water

## Demos of David Larstein

I can't stand your stupid ugly face,  
In combination with  
Your John Wayne cowboy boots  
After every time that I have met you,  
I have to clean my ears  
From all the shit that you have spoken. And I'm happy i don't live on your block  
So i don't have to see you every day. And now that you know  
Why don't you stay the fuck away from me I wonder, How long can  
You keep your head under water?  
I wonder, How long can  
You keep your head under water? I'd like to stay out of your life  
and you to stay out of mine too.  
I don't want you near, Take a trip to the other side of the world  
And stay there, don't come back.  
Take a long walk on the short pier Get on that rocket to the moon  
I'll count down, away you go  
Oh, how I hate you  
Get on that rocket to the darkside of the moon I wonder, How long can  
You keep your head under water?  
I wonder, How long can  
You keep your head under water? Water!  
Water!  
Water!
