She Called Me Baby

Glen Campbell

She called me baby, baby, all night long
Used to hold and kiss me till the dawn
Then one day I awoke and she was gone
There's no more baby, baby, all night long
Well, she called me baby, baby, all night long
She kissed my tears away when things went wrong
What I'd give if she'd just come back home
And call me baby, baby, all night long
She called me baby, baby, baby, all night long
She held me up so high when things went wrong
Now each time in dreams just like a song
I still hear baby, baby, all night long
Oh, I hear baby, baby, baby, all night long
Oh, I hear baby, baby, baby, all night long
Oh, I hear baby, baby, baby, all night long
