Afraid of Nothing

Sharon Van Etten

you told me the day
that you show me your face
we'd be in trouble for a long timei can't wait
til we're afraid
of nothing
i can't wait
til we hide
from nothing
nothing
and you decide
you throw me a lame "wait shit out"
you're a little late.
i need you
to be afraid of nothing.turning my way
you show me your face
we've known each other for a long time.I need you to be afraid of nothing
