

Mandy

Citizen Cope

Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey She said everything youve learned, yeah youve been told
How can I get you to forget for awhile
Shes at my door, wont leave me alone
And she says that shell make my pain go by But I know about Mandy
'Cause Mandy, you never forget
If she was a blonde, Id tell her go home
But Mandys a brunette And she got nothing left to wear
Shell get your heart
Forget your heart
Shell get your heart again And she got nothing left to wear
Shell get your heart
Forget your heart
Shell get your heart again, yeah, my friend Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey She said everything youve earned, yeah, youve rolled
Ill double it up if you give me a try
Shes at my door, wont leave me alone
And she said that shell make my pain fly by She's the slot machine of the century
Part Vietnamese and Hindi
Shell set you free like the enemy retreat
In the back of a black Cadillac limousine And she got nothing left to wear
Shell get your heart
Forget your heart
Shell get your heart again And she got nothing left to wear
Shell get your heart
Forget your heart
Shell get your heart again, yeah, my friend Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey And she got nothing left to wear
Shell get your heart
Forget your heart
Shell get your heart again And she got nothing left to wear
Shell get your heart
Forget your heart

Shell get your heart again, yeah, my friendHey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
Hey ya hey hey, hey ya hey hey
