

# Waking Up The Ghost

## 10 Years

No one knows  
The secrets that I keep  
No one knows  
What's in my head  
I can't control  
The other side of me  
I have lost my breath  
Breaking The pulse of a steady beat  
Pleading for sanity  
The voices calling out my name  
Now I'm afraid  
That I am waking up the ghost  
I'm digging up the memories  
That were dead to me  
Now, now I'm getting close  
Closer to the enemy  
That's inside of me  
Under the skin  
The soul of the guilty  
Under the surface  
Lonely lies  
Under the weight  
The sin is  
Eating me alive  
No mercy  
No forgiveness  
Condemn to my own hell  
The voices calling out my name  
Now I'm afraid  
That I am waking up the ghost  
Not taking out the memories  
That were dead to me  
Now, now I'm getting close  
Closer to the enemy  
That's inside of me  
I am waking up the ghost  
I'm digging up the memories  
That were dead to me, dead to me  
I am waking up the ghost  
I'm digging up the memories (dead to me)  
That were dead to me  
Now, now I'm getting close  
Closer to the enemy  
That's inside of me (inside of me)

Whoa, whoa, whoa, whoa
