Summer Nite

Plasmatics

That Summer Night
The Night I Will Never Forget
We Took The Subway To The
Rock And Roll Club
Three Hours Later The Ambulance Came
And Took You Away ForeverThe Summer Night Was
Hot And Sticky
They Searched For Knives And Weapons
At The Door
We Got Inside The Club
It Was Packed
People Push And Shoving
On The Floor
It Would Give Me Kicks To
Make You Jealous
I Gave This Other Guy
The Eye
I Didn't Know My
Head Game Was A Dead Game
And That Night You Were
Going To DieBaby Baby
Baby Baby
We Just Went Out To Have Some Fun
Baby Baby
Baby Baby
We Can't Go Back 'cause Now Its Done
Baby Baby
Baby Baby
Now I'm The One Who Has To Pay
Baby Baby
Baby Baby
Since The Night They Took You AwayYou Pushed This Guy And He
Pushed You Back
You Knocked Him Into The
Amplifier Stack
The Bouncers Came And
Dragged You Both Outside
Did You Know You Were
Riskin' Your Life To Save Your Pride

I Begged You To Stop And You
Hit Him More
You Didn't See His Three Friends Come
Through The Door
Four Against One And
They Had A Knife
In Ten Seconds They
Put Out Your Life
