Traveling Alone

Jason Isbell

Mountains rough this time of year
â€¨Close the highway down
â€¨They don't warn the townâ€¨â€¨And I've been fighting second gear
â€¨For fifteen miles or so
â€¨Trying to beat the angry snowâ€¨â€¨And I know every town worth passing through
â€¨But what good does knowing do
â€¨With no one to show it toâ€¨â€¨And I've grown tired of traveling alone
â€¨Tired of traveling alone
â€¨I've grown tired of traveling alone
â€¨Won't you ride with me?â€¨â€¨I've grown tired of traveling alone
â€¨Tired of traveling alone
â€¨I've grown tired of traveling alone
â€¨Won't you ride with me?â€¨â€¨Won't you ride?
â€¨Won't you ride?â€¨â€¨I quit talking to myself
â€¨Listening to the radio
â€¨Long, long time ago
â€¨Damn near strangled by my appetite
â€¨Ybor City on a Friday night
â€¨Couldn't even stand up right â€¨â€¨So high the street girls wouldn't take my pay
â€¨They said come see me on a better day
â€¨She just danced awayâ€¨â€¨And I've grown tired of traveling alone
â€¨Tired of traveling alone
â€¨I've grown tired of traveling alone
â€¨Won't you ride with me?â€¨â€¨I've grown tired of traveling alone
â€¨Tired of traveling alone
â€¨I've grown tired of traveling alone
â€¨Won't you ride with me?â€¨â€¨Won't you ride?
â€¨Won't you ride?
â€¨â€¨Paintin the outside lane I'm tired of answerin' to myself
â€¨Hard like the rebuilt part I don't know how much it's got left
â€¨How much it's got leftâ€¨â€¨I've grown tired of traveling alone
â€¨Tired of traveling alone
â€¨I've grown tired of traveling alone
â€¨Won't you ride with me?â€¨â€¨I've grown tired of traveling alone
â€¨Tired of traveling alone
â€¨I've grown tired of traveling alone
â€¨Won't you ride with me?â€¨â€¨Won't you ride?
â€¨Won't you ride?
