

I Want to Know What Love Is (Remastered)

Foreigner

I've gotta take a little time,
A little time to think things over.
I better read between the lines,
In case I need it when I'm older. Now this mountain I must climb -
Feels like the world upon my shoulders.
But through the clouds I see love shine -
It keeps me warm as life grows colder. In my life there's been heartache and pain;
I don't know if I can face it again.
Can't stop now, I've traveled so far
To change this lonely life... I wanna know what love is.
I want you to show me.
I wanna feel what love is.
I know you can show me.
I'm gonna take a little time,
A little time to look around me.
I've got nowhere left to hide -
It looks like love has finally found me. In my life there's been heartache and pain;
I don't know if I can face it again.
I can't stop now, I've traveled so far
To change this lonely life... I wanna know what love is.
I want you to show me.
I wanna feel what love is.
I know you can show me. I wanna know what love is.
I want you to show me.
(And I wanna feel) I wanna feel what love is.
(And I know) I know you can show me.
(Let's talk about love) I wanna know what love is.
(Love that you feel inside) I want you to show me.
(And I'm feeling so much love) I wanna feel what love is.
(Oh no you just cannot hide) I know you can show me. I wanna know what love is.
(Let's talk about love) I want you to show me.
(I wanna feel it) I wanna feel what love is. (I wanna feel it, too)
(And I know, and I know) I know you can show me. (Hold me back if I'm wrong) I wanna know what love is. (I
wanna know)
I want you to show me. (I wanna know, I wanna know, I wanna know)
I want to feel what love is. (I wanna feel)
I know you can show me.
