

At The End Of August

36 Crazyfists

So I lit lanterns to light up all these words
Looking back I know it's what I'd die for
And through all this life
Smashed away all the strife
A friendship I paint
UntouchableCrawling from the floor
I been there before
There I was staring back at the bottom
Let's make this clear
It came from these tears
Carved across our chests
LoyaltyWith the new light there was young hope
To underline the meaning
And carve our names inAt the end of August
The end of
At the end of August
The end of
I'll never replace the ones I first made
Jesus, does anyone?So I lit lanterns to light up all these words
Looking back I know it's what I'd die for
And through all this life
Smashed away all the strife
A friendship I paint
UntouchableWith the new light there was young hope
To underline the meaning
And carve our names inAt the end of August
The end of
At the end of August
The end of
I'll never replace the ones I first made
Jesus, does anyone?Crawling from the floor
I been there before
And let's make this clear
LoyaltyAnd I want you to know
How all of you made me
How all of you saved me
And I'll never replace the ones I first made
Jesus, does anyone?At the end of August
The end of

I'll never replace the ones I first made
Jesus, does anyone? Crawling from the floor
I been there before
There I was staring back at the floor
And let's make this clear
It came from these tears
Carved across our chests
Loyalty Loyalty, loyal
