## **Lullaby of Birdland**

## **George Shearing**

Lullaby of Birdland, that's what I always hear when you sigh Never in my woodland Could there be words to reveal In a phrase how I feelHave you ever heard two turtle doves Bill and coo when they love That's the kind of magic Music we make with our lips When we kissAnd there's a weepy ol' willow He really knows how to cry That's how I cry on my pillow If you should tell me Farewell and goodbyeLullaby of Birdland, whisper low Kiss me sweet and we'll go Flyin' high in Birdland High in the sky up above All because we're in love
