

# So Much Better

Evan Olson

[Verse]

Long before I had you in my dreams  
You came and captured my imagination  
Though some thingsâ€™ areâ€™ never what theyâ€™ seem  
I never have to worry 'causeâ€™ I know you are

Better than the Venus de Milo in a G-string  
Better than a promise of a good one-night fling  
Better than a big book of Bettie Page pictures  
Even if it came with a year's subscription  
Better than a ticket to a Holyfield ringside  
Better than a daughter of a sultan for a bride  
Better than the cherry on a whipped-cream sundae  
Better than a week that'll never have a Monday

[Chorus]

Share your love with me tonight  
I wanna feel that love

[Verse]

Long before I looked into your eyes  
I saw a million stars start flashing  
Even though sometimes I wonder why  
I never have to worry what you are

You're better than a bagful of Benjamin Franklins  
Better than the keys to a brand-new Lincoln  
Better than the winnings of a New York lotto  
Even if it came with a new house and an auto  
And you're better than a year on a paid vacation  
Better than a brand-new-year celebration  
Better than a day full of Seinfeld humor  
And you're better than hearing a celebrity rumor

[Chorus]

Share your love with me tonight  
I wanna feel that love

[Guitar solo]

[Chorus]

Share your love with me tonight  
I wanna feel that love

Share your love with me tonight
