Hip-hop reaggae inna dance hall style Verse 1

2 o'clock on a friday mornin'
Come a gun man
Come a knife man
Knife of a bouncer
Mash of the ears

On the run come a Kings Street
There he way arrested, and tested
And the drugs he had on him
He confested

Mi callin' on the youth in his country
Whole heap of boys
Whole heap of girls
Drug abuse is a dangerous thing
Stay out of drugs and stop
The violence

Inna dis hard time you have
Abuse drug

Listen what 'ya say and hear
My point of view

To much drugs you can

Go mental

Alban tellin' everybody

We no want no coke, no heroin

No hasch-hasch, no amfetamin Chorus Cocain will blow your brain

And ecstasy

Will mash your life! Verse 2 Drug pushing is a serious thing

One time, two time they make a million

Take all the money a run a foreign country

Buy a big limousine, Das why I man come
So you for do the right thing
Das why Jah Jah send me
To tell them the truth
Cause is a disgrace
To the human race
Some are flyin' very high
And some are flyin' very low
Could not differentiate
