Stupidest Girl In The World

Andrea Corr

My life, just when it's going well I smash it all in pieces
I'm like a magnet to the ground to everything that's creeping

What am I doing back here,
I thought I'd finished with you,
But I'm starting again
What am I gonna do now,
Who do you really love now
Getting broken again

Your life and your covenant to lie that promise you'll be keeping, I'm sure
I know your every gritty move, it wakes me when I'm sleeping

What am I doing back here,
I thought I'd finished with you,
But I'm starting again
What am I gonna do now,
Who do you really love now
Getting broken again

These situations
Are my own creation,
A dark fascination,
I want to be small again

I lose concentration,
You sense my vacation,
A prime invitation,
You're getting control again

What am I doing back here,
I thought I'd finished with you
But I'm starting again
What am I gonna do now,
Who do you really love now
Getting broken again
